Group Bookings

Group Bookings are available but be advised you must tell us when booking if you want to be together.
 Groups of 5 units or more will need a designated leader to vouch for the group and guarantee the general behaviour of the group as a whole.
 They will need to pay an additional deposit of £50, this gives the group a 5% discount (the discount must be arranged in advance i.e. before booking when the group deposit is paid & is not available for high season) This is to hold the bookings together, as we some times need to move booking to accommodate groups.
 If groups try to book without informing use we will cancel there booking as we can only assume they think there behaviour would be unsuitable for our rule.
